Fees: \$400 per weekly session

Time: 8:00 a.m. - 5:30 p.m.

Children's House Summer Encore is open to children ages 3 to 6 years currently enrolled in the Children's House program at WSM in the 2023-2024 school year.

The Children's House Encore Camp is held in our beautifully prepared Montessori environments and supported by WSM's faculty. The children will enjoy individual and group activities and experience a healthy balance of outside and indoor fun. Each weekly session includes a fun and exciting theme to offer the children an exceptional summertime experience.

Session 1: June 10 - 14

Fun in the Sun: Recreational Sports with Ms. Lauren

The summer begins with the opportunity for campers to explore and learn new games and sports. Campers will enjoy inside and outside activities to further develop their fine and gross motor skills by learning to kick, throw, and catch. They will apply their skills by engaging in fun "ball" games with their peers.

Session 2: June 17 - 21

Express Yourself: Mixed Media Expressions with Ms. Lauren

This week, campers get the opportunity to be creative! They will utilize a variety of mixed media to express themselves. The children will be introduced to and encouraged to use as many mediums as possible in fun and creative ways.

Session 3: June 24 - June 28

Camptastic with Ms. Amanda

Camping, fireflies, compasses, and tents - oh my! Campers will fill their summer days exploring the great outdoors! They will stop to smell (and identify) the flowers and trees, listen to and identify bird songs, and watch and identify the clouds floating above the trees. We will sing songs around our "campfire," picnic outside for lunch...and maybe...even go on a *Bear Hunt!*

Children's House Summer Encore

Session 4: July 8 - 12

The Age of Dinosaurs with Ms. Ana

Campers will be transported back to the Mesozoic era to learn all about our favorite prehistoric animals...THE DINOSAURS! This week will be filled with dinosaur art projects, activities and stories.

Session 5: July 15 - 19

Art Around the Globe with Ms. Ana

Campers will learn and explore different cultures through arts and crafts. They will have the opportunity to use a variety of artistic mediums and learn about how every culture expresses itself through art.

Session 6: July 22 - 26

Nature Explorers with Ms. Ana

"There are always flowers for those who want to see them." ~ Henri Matisse

This will be an exciting week of art in nature. Children will explore different mediums as they seek and discover the boundless beauty in nature and the artist within themselves. Camp includes daily nature walks to explore different shapes, colors, and textures of our WSM natural world to inspire them to create their artistic interpretations of the natural world.

The children will enjoy individual and group activities and experience outdoor and indoor fun. Each session includes a fun and exciting theme to offer the children an exceptional summertime experience. Each weekly session will have a special experience, which will include a special guest or an off-campus outing.

Session 1: June 10-14

A Week in Japan with Ms. Jessica Hatfield

From the language to the food to the basic day-by-day, there are many differences between life in America and life in Japan! During this week, campers will learn more about life in Japan through new games, activities, and stories. By the end of the week, they will have a better understanding of another culture and may even learn some fun Japanese phrases!

Session 2: June 17 - 21

Lost in Space! with Ms. Jessica Hatfield

Oh no! The Summer Ventures Spaceship is lost somewhere in the solar system! This week, campers will learn about the solar system and its place in it through fun projects and science experiments. Can they help the SVS navigate its way back to Earth?!?

Session 3: June 24 - 28

What Makes a Story? with Ms. Jessica Hatfield

There are many ways to tell a story. Campers this week will learn about the different methods of storytelling while hearing some of the most famous stories from human history. By the end, they will understand the parts of a story and be able to share a story of their own making in their own unique way.

Session 4: July 8 - 12: 8:00 am - 4:00 pm

Listen to Your Art with Ms. Olivia Hinson

During this week, campers will learn about different art forms and how music affects our art. We will explore a variety of mediums to create our own masterpieces, as well as listen to and learn some fun songs together. During this week, we will visit Reynolda Museum and Gardens. At the end of the week, we will host a "Music and Art Showcase" for family and friends. Campers will need to bring a sketchbook of their choice to use throughout the week.

Session 4: July 8 - 12: 9:00 am - 12:00 pm

Computer Coding with Mr. Mike Hatfield

During this week, campers will go on a computer coding journey using Scratch. Scratch is the world's largest coding community for children. This coding language with a simple visual interface allows children to create digital stories, games, and animations. Scratch promotes computational thinking and problem-solving skills.

Session 5: July 15 - 19

Medieval Times with Ms. Jessica Hatfield

Hear ye! Hear ye! This week, campers travel back to a time of knights and castles to learn about what life was like during this exciting period in history. Taking on a royal role, campers will explore the fun of living in a castle and possibly even learn a little magic.

Session 6: July 22 - 25

Adventure Island with Ms. Olivia Hinson

During this week, campers will be going on a different adventure each day! We will be traveling to the Kaleidium Children's Museum, the Greensboro Science Center, and the Dash Stadium, as well as trying out geocaching in nearby neighborhoods. In each location, campers will spend time exploring the world around them and discovering new adventures together. At the end of the week, we will rest and recuperate from our many outings with a pajama party!

The Adolescent Summer Ventures Camps are held at our beautiful North Campus and are supported by past and present WSM faculty. Adolescents enjoy participating in large projects and engaging in real work experiences. The camps offered this summer allow them to be creative and find ways to serve our greater Winston-Salem community.

Session 3: June 24 - 28 from 9:00 a.m. to 4:00 p.m.

"Lights, Camera, Action!" with Ms. Sally and Ms. Sarah

For: Rising 6th-year and Rising 7th, as well as 7th, 8th, and 9th years

Film-making, theatre, and teamwork take center stage in this fun and dynamic camp. Students will get the chance to be immersed in the craft of film & learn the fundamentals of filmmaking in a safe and creative space. This camp is led by Ms. Sally, current Adolescent Guide, an experienced actor and director, and her incredible assistant, Sarah Jenkins. Students will devise their own stories and characters. They will work to create a short film throughout the week, with a world premiere screening on Friday for parents and friends.

Session 5: July 15-19 from 9:00 a.m. to 12:00 p.m.

Computer Coding with Mr. Mike Hatfield

For: Rising 6th-year and Rising 7th, as well as 7th, 8th, and 9th years

This summer opened a new technological doorway into computer coding. Join Mr. Mike Hatfield, a former WSM Lead Adolescent Guide, on a journey using Scratch. Scratch is the world's largest coding community for children and a coding language with a simple visual interface allows young people to create digital stories, games, and animations. Scratch promotes computational thinking and problem-solving skills.
